A project implemented by „Gheorghe Asachi” Technical University of Iasi, Romania, in partnership with the Technical University of Moldova in Chisinau, Republic of Moldova.

This project is funded by the European Union.

“The European Union is made up of 27 Member States who have decided to gradually link together their knowhow, resources and destinies. Together, during a period of enlargement of 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders”.
